Index to Volume 26: Subject

A

Age factors; *see* **Maternal age**

Ambulation in labor
- Does walking enhance labor progress? (Goer). 127 (In the literature)

American Indians
- Factors predicting cesarean delivery for American Indian women in New Mexico (Schiff and Rogers). 226
- Low cesarean birth rates for American Indians (Porreco). 232 (Commentary)

Amniotomy
- Maternal attitudes to amniotomy and labor duration: A survey in early pregnancy (Impey). 211
- Studying maternal experiences of childbirth (Dahlberg et al). 215 (Commentary)

Analgesia
- Effect of labor analgesia on breastfeeding success (Halpern et al). 83
- Epidurals and breastfeeding (Walker) (Letter); (Halpern et al) (Reply). 275
- Epidurals and cesareans: The jury is still out (Lieberman et al). 196 (In the literature)
- Nulliparas' preferences for epidural analgesia: Their effects on actual use in labor (Goldberg et al). 139

Audio review
- Preparing for Natural Birth with Dr. Lennart Righard (Woolley). 273

Augmentation of labor; *see* **Labor**

B

Baby-Friendly Hospital Initiative
- Adherence to the Ten Steps of the Baby-Friendly Hospital Initiative in Minnesota hospitals (Dodgson et al). 239

Bed rest
- Bed rest in hospital for multiple pregnancy (Crowther). 201 (Cochrane systematic review)

Birth; *see* **Childbirth**

Book reviews
- Birthing from Within: An Extra-Ordinary Guide to Childbirth Preparation (Hotelling). 271
- Breastfeeding: A Guide for the Medical Profession, by Lawrence and Lawrence (Young). 269
- Great Expectations: A Prospective Study of Women's Expectations and Experiences of Childbirth, by Green et al (Cleeton). 270
- Pain in Childbearing and Its Control, by Mander (Woolley). 207
- Pregnancy and Birth: The Best Evidence—Making Decisions That Are Right for You and Your Baby, by Barrett and Pitman (Young). 206
- The VBAC Companion: The Expectant Mother's Guide to Vaginal Birth After Cesarean, by Korte (Shearer). 61

Breast
- Breast stimulation to augment labor: History, mystery, and culture (Curtis). 123
- A comparison of breast stimulation and intravenous oxytocin for the augmentation of labor (Curtis et al). 115

Breastfeeding
- Adherence to the Ten Steps of the Baby-Friendly Hospital Initiative in Minnesota hospitals (Dodgson et al). 239
- Breastfeeding: Are boys missing out? (Scott and Binns). 276 (Letter)
- Breastfeeding experience and milk weight in lactating mothers pumping for preterm infants (Hill et al). 233
- Breastfeeding twins: Guidelines for success (Hattori and Hattori). 37
- Does parental breastfeeding knowledge increase breastfeeding rates? (Susin et al). 149
- Effect of labor analgesia on breastfeeding success (Halpern et al). 83
- Epidurals and breastfeeding (Walker) (Letter); (Halpern et al) (Reply). 275
- Mastitis in the first year postpartum (Vogel et al). 218
- Smoking relapse and early weaning among postpartum women: Is there an association? (Ratner et al). 76
- Support for breastfeeding mothers (Sikorski and Renfrew). 131 (Cochrane systematic review)

Breech presentation
- Knee-chest postural management for breech at term: A randomized controlled trial (Smith et al). 71

C

Cesarean section
- Cesarean delivery: Improving on nature? (Kirby and McHanlon-Lundberg). 259 (In the literature)
- Changes in cesarean delivery in an Italian university hospital, 1982–1996: A comparison with the national trend (Zanetta et al). 144
- Epidurals and cesareans: The jury is still out (Lieberman et al). 196 (In the literature)
- Factors predicting cesarean delivery for American Indian women in New Mexico (Schiff and Rogers). 226
- Low cesarean birth rates for American Indians (Porreco). 232 (Commentary)
- Macrosomic babies (Goer). 137 (Letter)
- Whither cesareans in the new millennium? (Young). 67 (Editorial)

Childbirth
- Decision making in analyses of women's birth stories (VandeVusse). 43
- Differences in the valuation of birth outcomes among pregnant women, mothers, and obstetricians (Vandenbussche et al). 178
- Distribution of genital tract trauma in childbirth and related perineal pain (Albers et al). 11
- Early discharge after childbirth: Too late for a randomized trial? (Thompson et al). 192 (Research brief)
- Midwifery care: The "gold standard" for normal childbirth? (Albers et al). 53 (In the literature)
- Studying maternal experiences of childbirth (Dahlberg et al). 215 (Commentary)
- What is this thing called "control"? (Green). 51 (Commentary)
- Women's experiences of giving birth after 35 (Windridge and Berryman). 16
- Women's perceptions of midwifery care: A longitudinal study to shape curriculum development (Fraser). 99

Correction
- Effects of female relative support in labor: A randomized controlled trial (Madi et al) (1999;26:4). 1999;26:137

D

Decision making
- Decision making in analyses of women's birth stories (VandeVusse). 43
- Differences in the valuation of birth outcomes among pregnant women, mothers, and obstetricians (Vandenbussche et al). 178
- Managing labor: What do women really want? (Hannah). 97 (Commentary)
- Managing labor using partograms with different action lines: A prospective study of women's views (Lavender et al). 89
- Nulliparas' preferences for epidural analgesia: Their effects on actual use in labor (Goldberg et al). 139
- What is this thing called "control"? (Green). 51 (Commentary)

Depression
- Depressive symptoms in the late postpartum among low socioeconomic status women (Séguin et al). 157

Developing countries
- Practical and humanistic lessons from the Third World for perinatal caregivers everywhere (Kennell and McGrath). 9 (Commentary)

Discharge; *see* **Patient discharge**

E

Education
- Women's perceptions of midwifery care: A longitudinal study to shape curriculum development (Fraser). 99
- Does parental breastfeeding knowledge increase breastfeeding rates? (Susin et al). 149

Enkin, Murray
- Murray Enkin: Celebration and tribute (Sakala and Swenson). 1

Epidural analgesia
- Epidurals and breastfeeding (Walker) (Letter); (Halpern et al) (Reply). 275
- Epidurals and cesareans: The jury is still out (Lieberman et al). 196 (In the literature)
- Nulliparas' preferences for epidural analgesia: Their effects on actual use in labor (Goldberg et al). 139

Episiotomy
- Episiotomy for vaginal birth (Carroli et al). 263 (Cochrane systematic review)
- Distribution of genital tract trauma in childbirth and related perineal pain (Albers et al). 11

F

Fetal sex
- Are women carrying "basketballs" really having boys? Testing pregnancy folklore (Perry et al). 172

Fluid therapy
- Intravenous therapy for women in labor: Implementation of a practice change (Tourangeau et al). 31

G
Gender factors
Are women carrying "basketballs" really having boys? Testing pregnancy folklore (Perry et al). 172
Breastfeeding: Are boys missing out? (Scott and Binns). 276 (Letter)
Genital tract
Distribution of genital tract trauma in childbirth and related perineal pain (Albers et al). 11
Guidelines
Breastfeeding twins: Guidelines for success (Hattori and Hattori). 37
Postpartum care of the mother and newborn: A practical guide (World Health Organization). 255 (Short communication)
What is recommended for healthy women during pregnancy? A comparison of seven prenatal clinical practice guideline documents (Haertsch et al). 24

H
Home birth
Sheila Kitzinger's letter from Europe: Midwives on trial (Kitzinger). 199
Hyperemesis gravidarum
Medical hypnosis for hyperemesis gravidarum (Simon and Schwartz). 248
Severity of nausea and vomiting during pregnancy: What does it predict? (Zhou et al). 108
Hypnosis
Medical hypnosis for hyperemesis gravidarum (Simon and Schwartz). 248

I
Incontinence; *see* **Urinary incontinence, stress**
Indians, American; *see* **American Indians**
Induction of labor; *see* **Labor, induced**
Infant, low birthweight
Low-birthweight prevention programs: The enigma of failure (Stevens-Simon and Orleans). 184
Severity of nausea and vomiting during pregnancy: What does it predict? (Zhou et al). 108
Infant, postpartum care of
Postpartum care of the mother and newborn: A practical guide (World Health Organization). 255 (Short communication)
Infant, premature
Breastfeeding experience and milk weight in lactating mothers pumping for preterm infants (Hill et al). 233
Intravenous fluid therapy; *see* **Fluid therapy**
Italy
Changes in cesarean delivery in an Italian university hospital, 1982–1996: A comparison with the national trend (Zanetta et al). 144

K
Knee-chest posture
Knee-chest postural management for breech at term: A randomized controlled trial (Smith et al). 71
Knowledge, attitudes, practice
Does parental breastfeeding knowledge increase breastfeeding rates? (Susin et al). 149
Maternal attitudes to amniotomy and labor duration: A survey in early pregnancy (Impey). 211
Studying maternal experiences of childbirth (Dahlberg et al). 215 (Commentary)
What is this thing called "control"? (Green). 51 (Commentary)
Women's perceptions of midwifery care: A longitudinal study to shape curriculum development (Fraser). 99

L
Labor
Breast stimulation to augment labor: History, mystery, and culture (Curtis). 123
A comparison of breast stimulation and intravenous oxytocin for the augmentation of labor (Curtis et al). 115
Does walking enhance labor progress? (Goer). 127 (In the literature)
Effect of labor analgesia on breastfeeding success (Halpern et al). 83
Effects of female relative support in labor: A randomized controlled trial (Madi et al). 4
Intravenous therapy for women in labor: Implementation of a practice change (Tourangeau et al). 31
Managing labor: What do women really want? (Hannah). 97 (Commentary)
Managing labor using partograms with different action lines: A prospective study of women's views (Lavender et al). 89
Nulliparas' preferences for epidural analgesia: Their effects on actual use in labor (Goldberg et al). 139
Practical and humanistic lessons from the Third World for perinatal caregivers everywhere (Kennell and McGrath). 9 (Commentary)
Labor, induced
Maternal attitudes to amniotomy and labor duration: A survey in early pregnancy (Impey). 211
Studying maternal experiences of childbirth (Dahlberg et al). 215 (Commentary)
Vaginal misoprostol for cervical ripening and labour induction in late pregnancy (Hofmeyr and Gulmezoglu). 264 (Cochrane systematic review)
Labor support
Effects of female relative support in labor: A randomized controlled trial (Madi et al). 4
Practical and humanistic lessons from the Third World for perinatal caregivers everywhere (Kennell and McGrath). 9 (Commentary)
Language
Sheila Kitzinger's letter from Europe: Obstetric metaphors and marketing (Kitzinger). 55
Length of stay
Early discharge after childbirth: Too late for a randomized trial? (Thompson et al). 192 (Research brief)
Letters
Breastfeeding: Are boys missing out? (Scott and Binns). 276 (Letter)
Epidurals and breastfeeding (Walker) (Letter); (Halpern et al) (Reply). 275
Macrosomic babies (Goer). 137 (Letter)
Low birthweight; *see* **Infant, low birthweight**
Low socioeconomic status; *see* **Poverty**

M
Macrosomia
Macrosomic babies (Goer). 137 (Letter)
Marketing
Sheila Kitzinger's letter from Europe: Obstetric metaphors and marketing (Kitzinger). 55
Mastitis
Mastitis in the first year postpartum (Vogel et al). 218
Maternal age
Women's experiences of giving birth after 35 (Windridge and Berryman). 16
Media reviews; *see* **Audio review; Book reviews; Software review; Video reviews**
Midwifery
Midwifery care: The "gold standard" for normal childbirth? (Albers et al). 53 (In the literature)
Sheila Kitzinger's letter from Europe: Midwives on trial (Kitzinger). 199
Women's perceptions of midwifery care: A longitudinal study to shape curriculum development (Fraser). 99
Milk, human; *see* **Breastfeeding**
Misoprostol
Vaginal misoprostol for cervical ripening and labour induction in late pregnancy (Hofmeyr and Gulmezoglu). 264 (Cochrane systematic review)
Multiple pregnancy
Bed rest in hospital for multiple pregnancy (Crowther). 201 (Cochrane systematic review)
Breastfeeding twins: Guidelines for success (Hattori and Hattori). 37
Myths
Are women carrying "basketballs" really having boys? Testing pregnancy folklore (Perry et al). 172

N
Nausea
Medical hypnosis for hyperemesis gravidarum (Simon and Schwartz). 248
Severity of nausea and vomiting during pregnancy: What does it predict? (Zhou et al). 108
Newborn; *see* **Infant, newborn**
Nulliparity
Nulliparas' preferences for epidural analgesia: Their effects on actual use in labor (Goldberg et al). 139

O
Oxytocin
Breast stimulation to augment labor: History, mystery, and culture (Curtis). 123
A comparison of breast stimulation and intravenous oxytocin for the augmentation of labor (Curtis et al). 115

P
Pain
Distribution of genital tract trauma in childbirth and related perineal pain (Albers et al). 11

Parents
Does parental breastfeeding knowledge increase breastfeeding rates? (Susin et al). 149
Partograms
Managing labor: What do women really want? (Hannah). 97 (Commentary)
Managing labor using partograms with different action lines: A prospective study of women's views (Lavender et al). 89
Patient discharge
Early discharge after childbirth: Too late for a randomized trial? (Thompson et al). 192 (Research brief)
Patient education
Does parental breastfeeding knowledge increase breastfeeding rates? (Susin et al). 149
Patient satisfaction
Decision making in analyses of women's birth stories (VandeVusse). 43
Differences in the valuation of birth outcomes among pregnant women, mothers, and obstetricians (Vandenbussche et al). 178
Managing labor: What do women really want? (Hannah). 97 (Commentary)
Managing labor using partograms with different action lines: A prospective study of women's views (Lavender et al). 89
What is this thing called "control"? (Green). 51 (Commentary)
Women's experiences of giving birth after 35 (Windridge and Berryman). 16
Perceptions, maternal; *see* **Knowledge, attitudes, practice**
Perineum
Distribution of genital tract trauma in childbirth and related perineal pain (Albers et al). 11
Episiotomy for vaginal birth (Carroli et al). 263 (Cochrane systematic review)
Postpartum period
Depressive symptoms in the late postpartum among low socioeconomic status women (Séguin et al). 157
Early discharge after childbirth: Too late for a randomized trial? (Thompson et al). 192 (Research brief)
Mastitis in the first year postpartum (Vogel et al). 218
Postpartum care of the mother and newborn: A practical guide (World Health Organization). 255 (Short communication)
Smoking relapse and early weaning among postpartum women: Is there an association? (Ratner et al). 76
The experience of stress incontinence after childbirth (Mason et al). 164
Posture
Knee-chest postural management for breech at term: A randomized controlled trial (Smith et al). 71
Poverty
Depressive symptoms in the late postpartum among low socioeconomic status women (Séguin et al). 157
Pregnancy
Interventions for promoting smoking cessation during pregnancy (Lumley et al). 130 (Cochrane systematic review)
Severity of nausea and vomiting during pregnancy: What does it predict? (Zhou et al). 108
What is recommended for healthy women during pregnancy: A comparison of seven prenatal clinical practice guideline documents (Haertsch et al). 24
Pregnancy, multiple; *see* **Multiple pregnancy**
Pregnancy outcome
Differences in the valuation of birth outcomes among pregnant women, mothers, and obstetricians (Vandenbussche et al). 178
Low-birthweight prevention programs: The enigma of failure (Stevens-Simon and Orleans). 184
Prenatal care
Low-birthweight prevention programs: The enigma of failure (Stevens-Simon and Orleans). 184
What is recommended for healthy women during pregnancy: A comparison of seven prenatal clinical practice guideline documents (Haertsch et al). 24
Preterm infant; *see* **Infant, premature**
Preventive health services
Low-birthweight prevention programs: The enigma of failure (Stevens-Simon and Orleans). 184

R
Risk factors
Factors predicting cesarean delivery for American Indian women in New Mexico (Schiff and Rogers). 226
Low cesarean birth rates for American Indians (Porreco). 232 (Commentary)

S
Smoking
Interventions for promoting smoking cessation during pregnancy (Lumley et al). 130 (Cochrane systematic review)
Smoking relapse and early weaning among postpartum women: Is there an association? (Ratner et al). 76
Software review
Choices with Childbirth Module 1: Progress of Labor & Vacuum Extraction, by Vacca (Glantz). 135
Stress incontinence; *see* **Urinary incontinence, stress**
Support, labor; *see* **Labor support**

T
Terminology
Sheila Kitzinger's letter from Europe: Obstetric metaphors and marketing (Kitzinger). 55
Third World; *see* **Developing countries**
Twins
Breastfeeding twins: Guidelines for success (Hattori and Hattori). 37

U
Urinary incontinence, stress
The experience of stress incontinence after childbirth (Mason et al). 164

V
Vaginal delivery after cesarean
Cesarean delivery: Improving on nature? (Kirby and McHanlon-Lundberg). 259 (In the literature)
Whither cesareans in the new millennium? (Young). 67 (Editorial)
Video reviews
Breastfeeding: The Why-To, How-To, Can-Do Videos (Hayes). 64
Giving Birth: Challenges and Choices (Cleeton). 62
Teen Breastfeeding: The Natural Choice—Volume 1: Why Breastfeed?; Volume 2: Starting Out Right (Montgomery). 136
Vomiting
Medical hypnosis for hyperemesis gravidarum (Simon and Schwartz). 248
Severity of nausea and vomiting during pregnancy: What does it predict? (Zhou et al). 108

W
Walking; *see* **Ambulation in labor**
